

Abrasive belts TZ-11-1

Sharpness that inspires: Experience our latest abrasive belts with pyramid-shaped abrasive grain.

Our latest abrasive belts and abrasive sleeves are designed to effortlessly handle your tasks and guarantee you a constant and perfect surface quality. Manufactured with a pyramid shaped abrasive grain that maintains its sharpness from start to finish. Each individual grain pyramid is designed to develop maximum cutting power while ensuring long life.

Advantages of the belts:

- Uniform material removal
- Constant, fine grinding results
- Long service life
- Saving of working steps and working time
